Re.: Termination of License Agreement with WESPA (Wind Engineering SpA – Italy)

As per October 31, 2012, Norwin A/S has terminated its license agreement with WESPA (Wind Engineering SpA - Italy).

This means that WESPA is no longer permitted to sell, manufacture or install Norwin wind turbines of any design or anywhere. The entire cooperation with WESPA has been terminated.

WESPA will receive no support from Norwin in relation to any purchases it might intend to do from sub-suppliers of components for Norwin wind turbines and Norwin is under no circumstances whatsoever liable or responsible for WESPA's orders or communication with sub-suppliers of components.

In case you have any questions regarding the above, you are welcome to contact one of the undersigned.

We hope for your continued support to our other licensees.

Best regards

Per Lading
Chairman of the Board
